EDUCATION

Old Dominion University, Norfolk, VA — *M.S. Data Science & Analytics*

August 2025 - Current

Old Dominion University, Norfolk, VA — *B.S. Computer Science*

August 2022 - August 2025

Overall GPA: 3.30

Major GPA: 3.58

EXPERIENCE

Forza Corporation, VA Beach, VA — *Store Manager*

January 2023 - Current

Managed day-to-day store operations, including inventory control and cash handling. Processed daily sales reports and purchase orders to maintain financial accuracy and stock consistency. Implemented store policies and optimized layout to improve workflow and customer experience. Resolved customer concerns and ensured a professional, welcoming environment.

CareDx, Brisbane, CA — *Research Assistant*

June 2021 - October 2021

Processed medical research samples and extracted gDNA and cfDNA from Streck and EDTA tubes. Quantified the amount of DNA extracted using a Qubit Fluorometer. Ensured compliance with storage protocols as per standard operating procedures.

United States Air Force, Travis AFB, CA — *Medical Lab Technician*

June 2019 - June 2021

Performed comprehensive analyses of bodily fluids to detect anomalies, ensuring timely diagnostics. Identified microorganisms and cultivated strains to support clinical diagnostics. Instructed students on phlebotomy techniques and maintained laboratory standards.
